Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby renews its petition to withdraw the holding of abandonment of the above-identified patent application because Applicant never received the Notice of Allowance mailed March 9, 2005. The attorney from the Office of Petitions that is handling this matter is Mr. Paul Shanowski.

On September 28, 2005, Applicant mailed a Petition to Withdraw Holding of Abandonment Under 37 C.F.R. § 1.181 (hereinafter "original Petition"), along with certain exhibits. On March 20, 2006, the Office of Petitions mailed a Decision on Petition Under 37 C.F.R. § 1.181(A) (hereinafter "Decision").

In the Decision, the Office of Petitions recognized that Petitioner established that the Notice of Allowance was not sent to the correct address. However, despite the Petitioner providing the U.S. Patent and Trademark Office with a print-out of its own records, *which indicated that the Notice of Allowance was returned to the U.S. Patent and Trademark Office as undeliverable (see Exhibit A of the original Petition)*, the Office of Petitions found that the Petitioner did not establish that the Notice of Allowance was not forwarded to the current address and subsequently received. Therefore, the Office of Petitions dismissed the original Petition.

In the Decision, the Office of Petitions suggested that a renewed Petition be filed. In the renewed Petition, the Office of Petitions has required Petitioner to: (a) assert that he has searched the file jacket; (b) assert that he has searched the docket records; (c) include a copy of the file jacket¹; and, (d) include a copy of the docket report.

The undersigned hereby asserts that the Notice of Allowance mailed March 9, 2005 was not received. The undersigned also asserts that a search of the file jacket and the docket records indicates that the Notice of Allowance mailed March 9, 2005 was not received. A copy of the docket record for June 9, 2005 is attached as Exhibit A. A copy of the outside of the file jacket is also attached as Exhibit B.

Applicant notes that, on April 27, 2006, the U.S. Patent and Trademark Office mailed a Notice of Abandonment to Applicant in connection with the above identified patent application. Applicant respectfully requests that the holding of abandonment with respect to the above-identified patent application be withdrawn. Furthermore, Applicant respectfully requests that: (1) the Notice of Allowance be mailed to the undersigned at the address associated with the

¹ The undersigned has assumed that the Office of Petitions is requesting a copy of the outside of the file jacket rather than the entire contents of the file jacket.

undersigned's Customer Number 32093; and, (2) the deadline for responding to the Notice of Allowance be reset.

A Request for One-Month Extension of Time accompanies this paper. The Commissioner is hereby authorized to charge the credit card identified on the attached Form PTO-2038 for the fee associated with a one-month extension of time in the amount of \$120.00.

Applicant believes that no other fees are due in connection with filing this paper. Nevertheless, Applicant hereby authorizes the Commissioner to debit Deposit Account No. 50-2198 for any fee deficiencies associated with filing this paper.

A representative from the U.S. Patent and Trademark Office is invited to contact the undersigned regarding any matters relating to the present application.

Respectfully submitted,
